## **BOOK SYNOPSIS**

Discover all the hidden tricks, tips, and secrets on the Alexa App and Amazon Echo Dot with this info-packed bundle! Get 3 Books For the Price of 1! So I've decided to bundle my three bestselling books on the Alexa app and Amazon Echo Dot—all at a fraction of the cost. Each book was designed to help you maximize the benefits of the Amazon Echo Dot and use your Alexa app more effectively. Whether you'd like to program the Dot to work with your home speakers, have it order you an Uber, or command it to read your kids a bedtime story—it's all here! (And much, much more) The Amazon Echo and Echo Dot are rich with possibilities and programmable skills, which is why it took three books to cover it. Now they're yours for an ultimate discount! Inside you'll get the following: **How to Program Alexa: Step-by-Step Guide to Programming Your Amazon Echo Dot and Alexa App for Exciting New Skills** If you've recently purchased an Amazon smart device and are having trouble programming the Alexa App—then this guide will be your life raft! It covers a wide range of intuitive new skills you can easily program on Alexa. You'll discover how to check your bank statements, manage your social media, conduct shopping lists, operate home appliances, get updates on vehicle maintenance requirements and MUCH more with the Alexa App. **Amazon Echo Dot: The Complete User Guide and Manual for Quickly Mastering Your Amazon Echo Dot** This is an A to Z guide for the Amazon Echo Dot. It's meant to take you from complete novice to an intermediate or advanced Echo Dot user, very quickly. You'll discover how to unbox, charge, and configure the Amazon Echo Dot with zero headaches. You'll also learn about the various commands you can ask the Dot, how to teach your Dot new skills, how to program your Dot with other devices (like the regular Echo or the Amazon Fire), and even how to create custom skills the Dot doesn't already come with. It's a comprehensive guide that, read alone, would take you leaps and bounds ahead of most users. **Amazon Echo Dot: The Updated User Guide for Operating your Alexa App and Amazon Echo Dot** Like the first two guides, this book tells you all you need to know about configuring and operating the Amazon Echo Dot. However, it goes MUCH deeper into using and programming the miracle that makes it all happen: Alexa. You could argue that the Alexa app is the heart and soul of the Amazon Echo Dot. It gives it life in ways that would've seemed like science fiction only 10 years ago. Just imagine, there are nearly thousands of skills you can program Alexa with, many of which serve practical and everyday purposes. She can turn off home appliances for you (like the coffee machine or TV), manage your money, lock your doors, open your garage door, manage your thermostat, give you good food and beverage recipes, and MUCH more. In this book I'll teach how to program Alexa with all the amazing skills you can imagine.
