BOOK SYNOPSIS

Well-known and appreciated for its storytelling style, engaging bits of humor, and problem sets from a variety of disciplines, this book keeps getting better. Honed throughout, this edition emphasizes exploration of data, interpretation of statistical outcomes, and effect size indexes. Retained Error Detection boxes, What Would You Recommend? problems, and Clues to the Future notations that highlight concepts to be used later continue to distinguish Spatz text. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.
