BOOK SYNOPSIS

Are You Missing Out on the Indie Publishing Revolution? Tell us a love story! Writing Romance Novels in the 21st Century! This book is a simple beginner's guide for YOU to get started immediately writing and publishing your first (or next) romance ebook. I want to make the process simpler for you and more direct. It's filled with HINTS and TIPS that you can really come back to at any point while you're WRITING ABOUT LOVE, and you can jump to any section you need to for a bit of inspiration or information. I want to cut to the chase with the steps you need to take, and I want to let you know that AT ANY TIME you can put down this book and just GO start writing your romance novel or short story. (I'll be here when you get back!) You are a writer today! We'll discuss why you should write a romance novel, how to get started, and what's involved with your main characters, your "world", your storyline, and your plot. We'll discuss everything from steamy love scenes to choosing titles and creating ebook covers. We'll talk about editing, marketing, pen names, romance creativity, and so much more! (But we'll be quick so you can get writing!)
