BOOK SYNOPSIS

Two families long divided by an ancient feud. Can a powerful love finally unite them? Blade Hamilton is the last of his line. Hes never even heard of Crossroads, Texas, until he inherits land there. Riding in on his vintage Harley-Davidson, Blade finds a weathered ranch house, an empty prairie and a dark river that cuts a decisive path between the Hamiltons land and that of their estranged neighbors. When Dakota helps a stranger on the roadside, she isnt prepared for the charisma of the man on the motorbike—or for the last name he bears: Hamilton, of her familys sworn enemies, representing all shes been raised to loathe. The problem is, it looks like Blade is in town to stay, and theres something about his wolf-gray eyes she just cant ignore. Lauren Brigman feels adrift. Unhappy in work and unlucky in love, she knows she ought to be striving for more, but shes never truly at peace unless shes at home in Crossroads. If the wider world cant satisfy her, is home truly where her heart is?
