## **BOOK SYNOPSIS**

This is an annually updated presentation of each sovereign country in Nordic, Central and Southeastern Europe, past and present. It is organized by individual chapters for each country and presents a complete and authoritative overview of each region's geography, people, history, political system, constitution, parliament, decentralization and states if a federation, parties, political leaders, and elections. There are also sections on foreign and defense policy, economy, culture, future, and a comprehensive bibliography. The combination of factual accuracy and up-to-date detail along with its informed projections make this an outstanding resource for researchers, practitioners in international development, media professionals, government officials, potential investors and students. Now in its 14th edition, the content is thorough yet perfect for a one-semester introductory course or general library reference. Available in both print and e-book formats and priced low to fit student and library budgets.
