## BOOK SYNOPSIS

Signed, sealed, delivered... While spacing out in Chemistry class, Lily scribbles some of her favorite song lyrics onto her desk. The next day, she finds that someone has continued the lyrics on the desk, and added a message to her. Intrigue! Soon, Lily and her anonymous pen pal are exchanging full-on letters -- sharing secrets, recommending bands, and opening up to each other. Lily realizes shes kind of falling for this letter writer. Only who is he? As Lily attempts to unravel the mystery, and juggle school, friends, crushes, and her crazy family, she discovers that matters of the heart cant always be spelled out... Kasie West brings irresistible wit, warmth, and sparkle to this swoon-worthy story of love showing up when you least expect it. Praise for P.S.
