BOOK SYNOPSIS

Among the many pressing social concerns that have galvanized evangelical Christians' response—abortion, human trafficking, environmental degradation, and many others—the care of animals has received relatively little attention. Yet as author Sarah Withrow King deftly uncovers in *Vegangelical*, animal stewardship is a necessary aspect of a holistic ethic of Christian peace and justice. Indeed, care for animal welfare correspondingly strengthens our care for environmental and human flourishing. Practical, restrained in its conclusions, and grounded on a broader theology of Christian compassion, *Vegangelical* calls readers to a greater attentiveness to one of the primary relationships in God's created order, that between humans and animals.
